Dear Beloved Parishioners and Guests,

How fitting and right it is that the **Labour Day** weekend falls exactly during the autumn season – especially since so many parishioners are working so diligently to harvest all their crops while God blesses us with warm sunny weather. Let us pray that the harvest be abundant and that all the hard work is happily rewarded...

The parish is gearing up to be in full swing with all the organizations prepping for their first meetings – be it the UCWL, the K of C, the Brotherhood, the Golden Agers, the Choirs and all our Youth and Children programs. All these 'clubs' truly are the heart and backbone of St. Mary's as they ensure that our parish programs reach out to everyone – young and old – to make them active members of the parish family.

Fr. Ray knows all of you well, but I, in turn, hope to attend as many gatherings as possible to familiarize myself with the various 'outreach' programs and to, God willing, provide the spiritual leadership that we all need in our daily lives. We all become one family of St. Mary's as we pray together and work for the betterment of one another. What a blessing that we have many volunteers and dedicated workers.

This past week much of our time was committed to our **Yorkton Catholic School** system. I duly was impressed with the young committed School Board that we can proudly boast of – their enthusiasm, their dedication, their commitment and their deep love for Catholic education. Indeed it will be a pleasure and a joy to work with each of the members. I promise to keep them all in my daily prayers!

How very special it was for the three priests – **Fr. Ray, Fr. Francis and myself** – to celebrate the opening Divine Liturgy here at St. Mary's on Thursday for the Catholic school board members, all the teachers and the support staff. The excitement, the joy and the faith of all those praying together was verily contagious and this atmosphere happily continued during the two day workshop at our Cultural center. Much of the input and leadership was provided by our local directors, but also by Bishop Don and Leah Perrault, an enthusiastic lay coordinator also from Saskatoon. The positive response to their powerful messages and the excitement of commencing another academic year was most encouraging to behold!

How very blessed we are in Yorkton to have two excellent school systems, that is, the Good Spirit Public and our **Christ the Teacher Catholic** systems. We obviously strive to support our Catholic system for we are thus able to happily provide a total Christian environment for the academic and spiritual welfare of all our children!

I have had the pleasure of serving in many parishes and centers and I honestly have never experienced such a well-organized and professional system as we have here!

Thank you for taking the time to read my pastoral message – be prepared to digest it each week! Hm! Should I test you? Promise not to! But I do wish to extend my love and my heart to each of you and pray that God will generously bless you and yours! Truly good to be here with you!
