Slava Isusu Khrystu! Glory be to Jesus Christ!

This is the time of year for **graduations** and I am sure that some of you have children or children of friends, who have just completed some level of schooling. And so you might find the following story interesting...

*A young man was getting ready to graduate from a university. For a long time he had admired a beautiful sports car in a dealer's showroom and knowing his father could well afford it he told him that that was all that he wanted as a **graduation gift**.*

*As his graduation day approached the young man began looking for signs that his father had bought the car. Finally on the morning of his graduation, his father called him to his room and told him how proud he was to have such a fine son and told him how much he loved him. He handed his son a beautifully wrapped gift box. Curious, the young man opened the box and found a lovely leather bound Bible with his name embossed in gold. Angry that this was not a car, he raised his voice to his father and said, "**With all your money, you give me a Bible?**" and then stormed out of the house, leaving the Bible at home.*

*Many years passed and the young man was very successful in his own business. He had a beautiful home, a wonderful family, but realized his father was very old--perhaps he should go to him as he had **not spoken to him** since that graduation day.*

Before he could make arrangements, he received a telegram telling him that his father had passed away and had willed all his possessions to his son so he needed to come home and take care of things.

*When he arrived at his father's house sadness and regret filled his heart. He began sorting through his father's papers and saw the still new Bible as he had left it years ago. With tears in his eyes he opened the Bible and as he turned the pages a car key dropped from the back of the Bible. It had a tag with the dealer's name and on the tag was the date of his graduation and the words "**paid in full**".*

How many times we miss out on blessings because they are not packaged as we expected! How often our expectations become such a priority that they completely cloud or even poison our outlook on life. And how often that, which we expect to receive, is something material...and is not worth the disappointment that we experience for we will not be taking it to our grace with us anyway.

Gifts are not something that life owes us...they are simply things that someone has chosen to give us from the goodness of their heart. Let us never judge people by the **"things"** that they bring...or do not bring...as gifts. How easily we can mis-judge others and thus bring only misery to ourselves and to those whom we claim to love.

Слава Ісусу Христу!

В цю пору року різні школи запрошують **на градуації** і напевно, як не у вас то у ваших друзів хтось завершує навчання і може вам буде цікаво перечитати цю коротку розповідь.

Молодий чоловік готувався до градуації з університету. Він довгий час подивляв чудове спортове авто у виставковому залу і знав, що його багатий батько міг би це авто йому купити і сказав він батькові, що це єдина річ, яку він хоче в подарунку. День градуації зближався і молодий чоловік почав шукати познак, що тато йому це авто купив. В кінці, в день градуації, батько покликав його до себе та сказав, що він гордий, що має такого доброго сина і сказав, що він його дуже любить а тоді батько синові подарував чудово опакований подарунок. Молодий чоловік здивовано відкрив коробку і побачив там Біблію в прекрасній скіряній обгортці, на якій золотими літерами було виписане синове ім'я. Син розсердився, що це не авто і підніс до тата голос: **«У Тебе стільки грошей а Ти мені даєш лиш Біблію?»** Він вибіг з хати, залишивши цю біблію за собою.

Минуло багато років і молодий чоловік зазнав великих успіхів у власному бізнесі. Він мав чудову хату і гарну родину але знав, що батько вже дуже старий і йому зробилося соромно, що він з батьком **не бачися** від градуації та вирішив до нього навідатися.

Але поки він встиг до тата поїхати, син дістав телеграму, у якій було написано, що його тато помер і лишив йому у своєму заповіті все своє майно. Син мусів поїхати додому зайнятися різними справами ліквідації хати а коли він приїхав до батькової хати, його охопив жаль і смуток. Він почав переглядати батькові папери і знайшов між ними біблію, так, як він її залишив ще багато років назад. Він відкрив цю біблію та зі сльозами в очах обертав у ній сторінки і нагло зі задньої обгортки вилетів ключ до авта а з ключами була карточка, на якій була дата його градуації і слова **«у повні заплачено»**.

Як часто ми **не користуємося** з різних благословень тому, що вони не були в такому опакуванні, як ми сподівалися! Як часто наші сподівання стають такими пріоритетами, що вони повністю затьмарюють або навіть затроюють нам світогляд. І як часто те, чого ми сподіваємося є щось матеріального... і воно не варто нашого розчарування бо і так того зі собою до гробу незаберемо.

Нам в житті неналежаться подарунки... це просто щось, що хтось хотів з доброти свого серця нам подарувати. Не судім людей по речах, які вони нам принесли або не принесли в подарунку. Коли будемо людей за таке судити не лиш ми але і ті, котих ми любимо стануть нещасливими.
