Slava Isusu Khrystu! Glory be to Jesus Christ!

Today I wish to share about the **Bethlehem Flame of Peace**, the fire that constantly burns in Bethlehem in the manger where Jesus was born. The light of this fire symbolizes warmth, peace, harmony, tranquility and love toward all people of the world.

The project of sharing this Fire of Peace with the world began in **1986** through the Austrian TV and radio station ORF in Linz. From its very beginnings this project was meant to support handicapped children and everyone who needs help and attention before Christmas. This noble cause was immediately taken up by the Austrian **Scouts**. The Scouts take this fire into special oil lamps and transport it via plane to Austria where during a ceremony in the Viennese Cathedral they give it to representatives from many different countries. This flame travels from hand to hand and crosses many different boundaries and comes to those who await the light of hope before the feast of Christmas.

In November 2000 it looked as though the Light would not be able to leave war-torn Bethlehem. However a 12 year old Palestinian Scout took the flame from the Grotto of Christ's Birth and carried it to the border. Here it was received by Israeli Scouts who raced it to the Tel Aviv Airport where it was passed on. Never before had the words "**Shalom**" and "**Salaam Alekum**" (both expressions of "Peace") meant so much to the whole world.

Plast, Ukraine's Scouts, have been bringing the Flame of Peace to many different Ukrainian towns and villages for almost 20 years. They bring this flame in trains, in cars and by bike to churches, to government institutions, schools, children's day cares, old age homes and hospitals so that every person, particularly those who are far away from their homes, can feel the warmth of the Bethlehem Star.

For many all over the world the flame from the **Bethlehem Flame of Peace** has become essential during the celebration of Christmas. Some people bring the *live flame* home or they blow out their Bethlehem Flame and re-light it again when they get home (*for they are reassured by priests that the sanctity of this Fire is not lost through this.*)

The first time that Ukrainian Canadian (Plast) Scouts received the Bethlehem Flame of Peace was in 2008. The Austrian Scouts brought an oil lamp with this flame to the JFK airport in New York where they handed it to the American Scouts who brought it by car from Minneapolis. The Flame then spread throughout the United States, Canada and Mexico. In 2009 the Bethlehem Flame of Peace finally found its way to Winnipeg and I was most pleased **to give it a home at St. Joseph's** for my 7 years as Pastor. It stayed lit in our church until the Feast of Jordan.

Now the Bethlehem Flame is being transported here to **St. Mary's** in Yorkton and we encourage you to purchase a 5 day candle, light it from the Bethlehem candle on the little altar and then have it peacefully burn in your home during your Christmas celebrations!

May this flame from the Fire of Peace indeed be the symbol of peace, warmth, harmony, tranquility and love toward all people of the world.

EPARCHY OF SASKATOON VIBRANT PARISHES: COVENANT OF CARE ABUSE AND MISCONDUCT PROTOCOL

Covenant of Care is a code of conduct which is designed to create safe and respectful church communities and healthy ministerial relationships, and to protect people from abuse and the harm that results

Patriarch Sviatoslav Shevchuk in his Pastoral Letter (Dec. 2, 2011) states that the Ukrainian Greek Catholic Church functions on the principles of "The Vibrant Parish – a place to encounter the living Christ" -- working to build communities that are rooted in love. We hereby affirm that in order to maintain these vibrant communities that proclaim and follow Christ, it is imperative to build on a foundation of trust. This *Covenant of Care* is a code of conduct which is designed to create safe and respectful church communities and healthy ministerial relationships, and to protect people from abuse and the harm that results. This protocol strives to provide proactive protection for:

- children, youth and vulnerable adults, and
- those who minister, including clergy, employees and church volunteers.

The *Abuse and Misconduct Protocol* is designed to ensure that allegations of physical and sexual abuse and other misconduct are handled responsibly, transparently and with all due care and attention.

To speak to someone about a concern related to the Covenant of Care, please contact Deb Larmour, Eparchial Coordinator of Care at 306-653-0138 ext. 228.

The Eparchial Covenant of Care information is available on our Eparchial website: www.skeparchy.org on the Home Page "Covenant of Care" icon.

Христос Раждається !

Christ Is Born !

Слава Ісусу Христу!

Сьогодні розповім вам про **Вифлеємський Вогонь Миру** – це вогонь, що постійно горить у Вифлеємі в ясині на місці народження Ісуса Христа. Світло Вифлеємського Миру є символом тепла, миру, злагоди, душевного спокою та любови до людей і до світу.

Акцію поширення Вифлеємського Вогню Миру започаткувала ó 1986 року австрійська телерадіокомпанія ORF з міста Лінц. Із самого початку акція планувалася з метою підтримки неповносправних дітей та усіх, хто потребує допомоги та уваги в передріздвяний час. Цю благородну справу відразу взяли в свої руки австрійські скаути, які беруть Вогонь з Вифлеєму і в спеціальній лампаді транспортують його літаком до Австрії. Після урочистостей у віденському Кафедральному соборі вони передають Вогонь з рук в руки до сусідніх країн. Вифлеємський Вогонь Миру мандрує через багато кордонів і потрапляє до всіх, хто чекає на світло надії у переддень Різдва Христового.

В листопаді 2000 року, коли Вифлеєм охопила війна, виглядало, що Вогонь того року не дійде до решти світу, але 12-літній палестинський скаут взяв цей Вогонь з місця Хрестового надодження і якось поніс це до кордону. Там від нього Вогонь відібрали ізраїльські скаути і поспішили з Вогнем до аеропорту в Теле Авів' і передали вогонь далі. Ще ніколи слова «Шалом» і «Салаам Алейкум» не мали такого глибокого значення.

А в Україні Вифлеємський Вогонь Миру вже понад роки поширюють українські скаути, **члени Пласту**. Вони везуть Вогонь поїздами й автами від міста до міста і заносять його до церкви, державні установи, школи, дитячі притулки, будинки для старців, лікарні, щоб кожна людина, а особливо ті, хто перебувають далеко від своїх домів під час Різдва, могли відчути тепло Вифлеємської зірки.

Ідея **Вифлеємського Вогню** стала багатьом доповненням під час святкування Різдва. Деякі люди несуть додому живе полум'я або гасять раз запалену від Вифлеємського Вогню свічку, яку знову запалюють вдома (за твердженням священиків, від цього святість Вогню не втрачається).

Перший раз, що українські скаути (**пластуни**) дістали Вифлеємський Вогонь Миру було 2008-го року. Скаути з Австрії привезли ліхтар з Вогнем на літаку в Нью Йорку, щоб передати його американським скаутам, які приїхали автобусом з Міннеаполіс. Вогонь поширювався по цілій Америці і Канаді, навіть до Мексики. Цього року Вифлеємський Вогонь Миру знайшов дорогу також і до Вінніпеґу і ми з великою радістю прийняли його до нашої церкви. Він горітиме у нашій церкві до Йордану. Тепер ми починаємо цю традицію тут у нашій церкві Св. Марії в Йорктоні.

Нехай Вогонь Миру буде дійсним символом тепла, миру, злагоди, душевного спокою та любови до людей і до світу.

SURVEY RE: SENIORS' RESIDENCES WITHIN THE EPARCHY

Out of concern for the needs of retired Ukrainian Catholics within the Eparchy and in light of the extensive waiting list for admittance to St. Volodymyr Villa in Saskatoon, and, at a time when issues of health care and end-of-life care are foremost in the minds of legislators, health care providers, and citizens, the Eparchy is interested in finding out whether there is interest among the faithful for an Eparchial initiative that would see the development of a project similar to Saskatoon's St. Volodymyr Villa in Yorkton to serve the Ukrainian Catholic faithful in the South-East quadrant of the Eparchy.

We would appreciate receiving responses from all Ukrainian Catholic adults 50 years of age and older. Please respond to this survey by **December 31, 2016**.
