Христос Воскрес! Christ is Risen!

Back in 2010, Fr. Frank Szadiak and I were Associate Pastors at St. Joseph's in Winnipeg. He wrote a beautiful message on Mother's Day for the parish bulletin and I happily wish to share his wonderful thoughts. May you enjoy them as much as I do! God bless all of you!

FROM THE PASTOR'S DESK

My dear parishioners,

Mothers are precious and irreplaceable. Today we honour them in a special way and thank them for their heroic caring, tenderness and love. This tribute extends to our biological mothers, God-mothers and "mothers of the heart". These include adoptive and foster parents, teachers, nurses, religious sisters and all others who give motherly love to countless children. We honour you today, pray for you and wish you a truly Happy Mother's Day.

Today and throughout the month of May, we also honour our spiritual mother, Mary. God saw to it that the world was given the most beautiful ideal of womanhood in Mary. Mary shows us the immediate concerns of motherhood as well as the spiritual ones. She frets over her child, Jesus. At the same time her brow radiates the holiness of beauty and the beauty of holiness. Mary has remained for us the most gentle and most blessed name in history for motherly love.

A mother's love is not only unselfish and undying, but is a constant inspiration to her children of what it means to be a loving human being. Being loved and expressing love are absolutely necessary for developing wholesome and successful relationships.

A mother automatically knows, through her faith, intuition and love, the need to forgive. And forgiveness is called upon often. From minor irritations to major offenses, children need to be forgiven. At times, a loving response includes a just punishment, but never resentment.

Together, mom and dad strive to make their house an home, where a genuine Christian atmosphere prevails: love of God, respect for one another, acceptance, and hospitality. Home is the place where children learn responsibility, discipline and self worth.

Most importantly, a mother teaches her children about God - that He is our Creator and Saviour, and that He is our dearest friend. As first teachers, mom and dad show their children how to pray, to live their faith, and to worship. In this way, a child can grasp the deepest meaning of life and its preciousness.

We often take our mothers for granted. Mother's Day reminds us to day,

"Thank you. I appreciate all that you do for me"

If your relationship with your mother has waned over the years, renew it. Make it what it should be. If your mother is no longer with you, pray for her. If you are fortunate enough to have her still with you, lift her up in prayer and tell her that you love her. *Mnohaya Lita, Mom. You're the greatest!*

Gratefully yours,

Fr. Frank

Мама – джерело безкорисливої любові

Найшвидше вчимося промовляти слово «мама». Це найтепліше слово у нашому житті, тому що воно відноється до найріднішої особи у нашому житті. Ніколи не будемо з іншими людьми у такій глибокій і великій близькості, як ми були з рідною матір'ю. Це глибока фізична, почуттєва і духовна близькість. Мама кормила і зрошувала не тільки наше тіло, але також перша переливала любов у наше серце і душу через ніжні і теплі слова. Дуже важко оцінити материнську любов, жертвенність та вірність, жодну ціну у цьому світі не можна заплатити за материнську любов.

Любляча мати, дає себе своїм дітям не очікуючи за це жодної винагороди. Робить це лише з єдиної причини – з любові.

Відносно безкорисливої материнської любові дуже гарний приклад сказав владика Богдан Дзюрах в часі реколекцій:

Одного разу восьмирічний син-школяр Микола сидів вдома і щось писав на аркуші паперу. Мама, що проходила мимо, зацікавилася, що він робить. «Готую тобі рахунок» - відповів синок. «Який рахунок – де що здивувалась мама?» - «Довідаєшся, коли я закінчу». І ось, коли стисав цілий листок, то показав мамі, а вона зголос почала читати: «Рахунок Миколи своїй мамі: Три рази приніс молоко: 0,5 дол., 2 рази прибрав кухню – 1,5 дол., три рази повитирав посуд – 1 долар, 5 разів почистив одяг – 1,5 долари, 4 рази накривав стіл – 2 доларів. Все разом 6,5 доларів.

Мати засміялася, коли прочитала цей дивний рахунок. Тоді сама взяла олівець. «І я напишу тобі свій рахунок», сказала вона. «Твій рахунок? – здивовано запитав Давид. - Ти що, також щось для мене зробила?». «Ну так, трошки», кивнула мама і почала писати: «Рахунок мамі синові Миколі: 8 років для нього варила їсти – 0,0 доларів; 8 років для нього прала – 0,0 дол., 25 штанів і курток для нього зашила і залатала – 0,0 дол., 100 ночей просиділа біля нього, коли він був хворий – 0,0 дол. Все разом – 0. дол. Хлопчисько уважно і де що розгублено читав рахунок мамі.

«Але мамо, чому ти скірзь написала 0,0 дол?» - «Тому що мати для своєї дитини робить все просто так, - відповіла жінка, - але я можу дати тобі 6,5 доларів, які ти заслужив». Тоді дитина відповіла: «Ні, мамо, я не хочу жодного цента, бо твій рахунок мав би бути в сотні разів більший від мого».

Заносімо наші глибокі молитви Богові за наших матерів і всіх матерів по цілому світі, щоб Господь давав їм силу витривати до кінця свого життя у їхній безкорисливій любові. Щоби кожна мати переливала у серця своїх дітей також любов до Бога. Нехай наше серце завжди буде вдячне Богові за дар рідної матері.

Ісус Христос помираючи на хресті віддав нам також за Матір свою рідну Матір Марію. Нехай так-само Її безкорислива Материнська любов огорне наші душі і перелиє велику любов до Її Сина. З довір'ям дитини прибігаймо до Неї у своїх молитвах, в особливий спосіб цього місяця травня посвяченого Їй, просячи у Неї заступництва заради нашого спасіння.

О. Доріт
