**Christ is Risen! Truly He is Risen!**

**Beloved Parishioners and Guests,**

This weekend our **Kalyna Dance Troupe** is hosting another of its famous competitions, in fact, the largest Dance Festival in western Canada. Just received inside info: there will be **thirty-four (34)** different dance groups with over **950** excited children and young people happily involved in a gruelling 4 days of “*show & dance*”. **Congratulations and best wishes** especially to all the dedicated organizers and the volunteers!

Also congratulations are in order for our Yorkton district Knights who truly hosted a very successful **K of C State Convention**. The events, meetings and prayer time were delightfully hosted both here at St. Mary's and St. Gerard's. It was absolutely wonderful to have some 20 priests and Bishop Bryan at the altar and a full church of worshippers at the opening Divine Liturgy here in our church. And of course, the Cultural Centre staff out-did themselves in a most impressive banquet and we do give thanks and praise...

Last weekend St. Gerard's hosted a successful SK Provincial Convention for the **Catholic Women's League (CWL)** and one special event on their program was a full detailed tour of our church. Yes, I had the challenge of explaining our Ukrainian Rite and its traditions and to present a graphic description of our church and its fascinating history. Of course, I did personally enjoy basking in the company of all these ladies and from all accounts, they were most pleased with the tour and the blessing they received here.

Earlier in April, Fr. Ray and I joined all our Canadian Redemptorist confreres at a special re-organization **Chapter** in Ste. Anne de Beaupre, PQ (*I thank Father Methodius who remained in Yorkton to celebrate the Liturgies and care for our parish.*) I have shared at the Sunday Liturgies that we are uniting the French, English and Ukrainian Provinces into **one Canadian Province** with the hope of diminishing administrations and thus serving all our missions and parishes more effectively. We believe this is a positive and spirit-filled step into the future. Pray for us and do pray for vocations to the priesthood!

Just a reminder – **Sunday, May 20<sup>th</sup>**, we will commence **PAG (Pre-Authorized Giving)** that hopefully will strengthen the financial support of our parish. A brief explanation will be given at each Liturgy to alleviate any apprehensions or concerns. As Pastor, I strongly endorse this “*giving*” program and I know it does work well!

Keep in mind that we will commence our **Sunday summer schedule** on the first Sunday of **June** – just one Liturgy at 10:00 am... we can then celebrate in other parishes.

Yes, we are faithfully praying for good **spring seeding** weather – be it in the fields or in the garden... and also praying that you all remain healthy...

### CATHOLIC EDUCATION WEEK IN SASKATCHEWAN IS MAY 6<sup>TH</sup> TO MAY 13<sup>TH</sup>, 2018

*Catholic Education Week*

Every year, forty days after Easter on Ascension Thursday, Catholics across the globe celebrate World Catholic Education Day. On that day, and throughout the week in Saskatchewan, Catholics take a moment to pause, reflect, give thanks, and pray for the gift of Catholic Education. This year's theme, "Be Joyful in Hope," calls us to think of hope as an action rather than a feeling. It is through hope that we are able to express the love in which we are created. Students and staff in our Catholic schools will reflect on what hope is and on how to be joyful in hope in ourselves, our families, our schools, and in all of creation. On World Catholic Education Day, May 10th, there will be a special focus on being joyful in hope in our school communities, which is especially fitting during these challenging times for Catholic Education. Please pray for our Catholic schools, that they may always be places where all who enter can truly experience joy and hope.

# LIFELINES

A Quarterly Life Issues Bulletin, May 2018

A father was at the beach with his children when his 4-year-old ran up to him, grabbed his hand and led him down the shore to where a seagull lay dead in the sand. The girl wanted to know what had happened to the bird. The dad explained that it had died and gone to heaven. The girl looked down at the bird, then up at her father and asked,

“Did God throw him back down?” ☺

## Jim and Joe at the Coffee Shop...

There's a lot of confusion about death out there!

*What do you mean, Jim?*

I mean moral confusion. You've heard about government efforts to help prevent suicide these days?

*Yeah – so sad, all those teenage suicides. Poor kids...*

But now government and pressure groups are promoting assisted suicide and euthanasia as a legal right – likely soon for young people too!

*Yeah, well, so what can you do?*

It's crazy, Joe! We should stand up for what we believe!

Thing is I never know what to do! (See next page ...)

To claim the right to abortion, infanticide and euthanasia, and to recognize that right in the law, means to attribute to human freedom *a perverse and evil significance; that of an absolute power over others and against others.*

Pope St. John Paul II

## What can I do?

- Pray - with insistence! “More things are wrought by prayer than this world ever dreamed of.” Pray - with persistence!
- Vote in, encourage and support MPs and MLAs who respect life and God's commandments.
- Go on the March for Life!

## Build a Culture of Life!

Though we can't do everything, we can always do something.

## Support these Life Affirming Events:

## Human Babies: An Endangered Species

In Canada there are no laws protecting a child's life in the womb. It is not regarded as a human person by law for all nine months of pregnancy. (It certainly is in God's law.)

In 2015 there were over 100,000 abortions in Canada. At least 10,000 of these babies were over 3 months in utero. Their heart is beating, all organs and limbs are present at that age, and they can experience pain.
